- 

## MOTIONS

### 9. Outstanding Bills from Preceding Assembly:

**Hon. Francis E. Waive:**

- (i) **Merchant Shipping Act (Amendment) Bill, 2024(HB.1592);**
- (ii) **Coastal and Inland Shipping (Cabotage) Act (Amendment) Bill, 2024 (HB.1593);**
- (iii) **Nigerian Maritime Administration and Safety Agency Bill, 2024 (HB.1594);**
- (iv) **Federal Medical Centres Act (Amendment) Bill, 2024 (HB.1855); and**
- (v) **Federal University, Birinin Kebbi, Kebbi State (Establishment) Bill, 2024 (HB. 1780)**

*Notes* that pursuant to Order Twelve, Rule 17 of the Standing Orders, the House may, upon being re-gazetted or circulated, reconsider in the Committee of the Whole, without commencing de-novo, the Bill(s)–

- (a) whose report was presented by the Committee before consideration;
- (b) passed by the House and forwarded to the Senate for concurrence for which no concurrence was made or negative;
- (c) passed by the Senate and forwarded to the House for which no concurrence was made or negative; or;
- (d) passed by the preceding Assembly and forwarded to the President for assent but for which assent or withholding therefore was not communicated before the end of the tenure of the preceding Assembly.

*Also notes* that the aforementioned Bills were passed by the preceding Assembly and forwarded to the President for assent but for which assent or withholding thereof was not communicated before the end of the tenure of the last Assembly;

*Aware* that the Bills were read for the first time as HBs. 1592, 1593, 1594, 1855 and 1780 respectively;

*Resolves to:*

Re-commit the Bills to the Committee of the Whole for consideration.

### 10. Need to Implement Verifiable Documentation of Point of Sale (POS) Users' and Fund Recipients' Identities in Nigeria:

**Hon. John Okafor:**

**The House**

*Notes* the increasing challenges posed by the undocumented identities of Point of Sale (POS) users and fund recipients in Nigeria, leading to opportunities for fraudulent activities within the financial system and the necessity to combat such illicit practices and safeguard the integrity of financial transactions within Nigeria;

*Aware* that undocumented POS transactions from both parties identities create a loophole for fraudulent activities, such as identity theft, money laundering, and unauthorised transactions. Also, by enforcing the documentation of users' identities, the incidence of fraud will significantly reduce and the security of financial transactions in Nigeria will be enhanced.

*Also aware* that proper documentation of POS users' identities fosters accountability among operators and users. This transparency will help trace transactions back to the individuals involved, holding them accountable for illegal activities conducted through the POS system, and ensure a lasting end to the criminal use of POS.

*Worried* that there is an obvious regulatory bias and enforcement challenge towards due process by the relevant regulatory bodies and the urgency for immediate intervention to avert this ugly situation and shield Nigerians from the hands of criminalities through the use of the POS system;

*Also aware* that establishing a system for verifiable documentation of POS users' and recipients' identities aligns with the national and international financial regulatory requirements with the objective of preventing financial crimes and ensuring compliance with anti-money laundering (AML) and know your customer (KYC) regulations;

*Cognizant* that implementing stringent identity verification measures will protect consumers and businesses from becoming vulnerable to fraudulent schemes carried out through POS transactions. Additionally, the process will build trust in the financial system and encourage greater participation in the growing cashless transactions system in Nigeria.

*Resolve to:*

mandate the Committees on Digital and Electronic Banking, Finance, Banking Regulations, and Financial Crimes to invite the Governor of the Central Bank of Nigeria and the Group Managing Directors (GMDs) of all Commercial Banks and Other Financial Institutions utilizing POS services to appear before the Committees and find immediate and lasting measures to address this challenge and report back within four (4) legislative weeks.

**11. Breaches and other Infractions of some Federal Government Institutions on Insurance and Actuarial Matters Using Forensic Audit:  
Hon. Sulaiman Abubakar Gumi:**

**The House:**

*Notes* that Section 88 of the 1999 Constitution of the Federal Republic of Nigeria (as amended) is not restrictive of any method/approach within the confines of the law for committees to carry out oversight functions;

*Also notes* that while the conventional insurance is struggling with outdated insurance laws, there is a dearth of professional loss adjusters and irregular payment of loss adjusters fees, Non-remittance of premium, especially to reinsurers, Lack of innovation, inconsistent government policies, lack of cooperation within the insurance industry, and poor governance issues in the industry Weak regulatory bodies as a result of moribund laws, Low market penetration and lack of trust from the insuring public; the deposit insurance suffers from ineffective supervision, leading to the failure of many banks, especially microfinance banks; challenges related to asset disposal; inadequate legal and regulatory framework; failure to collaborate effectively with CBN and AMCON to secure financial stability in the Nigerian economy; and the cumbersome process of failure resolution and reimbursement of depositors.

*Aware* that over \$1 billion that should have been retained in Nigeria if all insurance practitioners are given the option of the right of first refusal (insurance being more about risk bearing and sharing) is being taken abroad, which affects the nation's economy, thereby always weakening our insurance sector and depleting our foreign reserve;

*Also aware* that these breaches and infractions have given rise to excessive cession and retrocession of businesses in breach of the Local Content Act to the extent that 90% of the risks of some federal government organizations are placed outside the country;

*Concerned* that non-transparency and lack of accountability in insurance practice in Nigeria today have resulted in over 30 naira unsettled claims in the group life insurances of the Nigeria Police Force, Head of Service (for Federal Civil Servants), and Ministry of Defence (for the Nigerian Armed Forces) because of no actuarial valuation, no gap analysis, and non-compliance with Section 57 of the Insurance Act, 2023, and Section 4, Subsection 5 of the Pension Reform Act, 2014, among other factors;

*Also concerned* that the resultant effect of the above has led millions of families of the deceased Federal Government personnel that are the beneficiaries suffering because they were not paid the entitlement of their breadwinners; when paid, in some cases, unallowed deductions are made, thereby shortchanging them;

*Worried* that the Committee on Insurance and Actuarial Matters letters to the MDAs, like NEMA, NPA, and NNPC, for either documents to enable oversight or appear before the Committee to address these issues are being treated with ignominy to the extent that it will soon become the rules rather than the exceptions that will negatively impact the overall oversight functions of the House of Representatives, if not nipped in the bud;

*Also worried* that there are huge unsettled life claims in Nigeria due to the fact that the premiums meant for payment were suspected to have been squandered by some insurance companies and a few individuals, and it is only a forensic auditor that will unravel this.

*Resolves to:*

mandate the Committee on Insurance and Actuarial Matters to conduct an investigation using forensic auditors, where necessary, and report within four (4) weeks for further legislative action.

## **12. Inclusion of Odukpani-Itu Road Project in the 2025 Budget Estimates:**

**Hon. Unyime Idem**

**Hon. Etteh Okpolupm Ikpong**

**Hon. Patrick Umoh**

**Hon. Paul Ekpo**

**Hon. Alex Egbona**

**Hon. Bassey Joseph**

**Hon. Godwin Odey:**

**Hon. Clement Jimbo**

**Hon. Ukpongudo Emmanuel**

**Hon. Okon Ime**

**Hon. Mark Esset**

**Hon. Victor Abang**

**Hon. Peter Akpanke**

**Hon. Martin Esin**

**Hon. Uduak Odudoh**

**Hon. Martins Esin**

**Hon. Lemke Inyang**

**Hon. Bassey Akiba**

**Hon. Micheal Irom**

### **The House:**

*Notes* that Odukpani/Itu Road is crucial for the economic development of Cross River and Akwa Ibom communities, the South-south region, and the nation at large, as it serves as the primary route for transportation of goods and services, including construction materials and farm produce, and evacuation of imported goods from the northern part of the country, especially Benue and Nasarawa, to other parts of the country in the south;

*Worried* that the current deplorable state of the road's, spanning over 20 years since its construction in 1975, has resulted in economic loss and untold hardship for commuters in Akwa Ibom State and Cross River State;

*Aware* that the 83.3 kilometers of the Federal Highway was awarded in 2021, in tranches to Julius Berger, Sermatec, and CCECC Companies, respectively, for reconstruction, but the road has remained uncompleted till date;

*Also worried* about the man hours wasted while plying the road due to obstruction from broken-down trucks and ravaging gully erosion on the highway, the consequences of which are daily loss of agricultural, economic, and industrial activities and human lives, cumulatively as estimated by the National Bureau of Statistics and Federal Ministry of Works at N1.465 billion annually;

*Concerned* about the plights of the people of Ukanafun/Oruk Anam Federal Constituency and the funding gap that has exacerbated the road infrastructure, thus delaying completion of the road;

*Cognizant* of the need to make provision to include the construction of the Odukpani-Itu Road Project in the 2025 Budget estimates;

*Resolves to:*

- (i) urge the Federal Ministry of Budget and National Planning to ensure the inclusion of Odukpani-Itu Federal Highway construction in the 2025 Budget estimates;
- (ii) mandate the Committees on National Planning and Economic Development, Appropriations, Finance, and Works to ensure compliance and adequate budgetary provision; and
- (iii) also mandate the Committees on Public Procurement and Works to investigate the abandonment of the Odukpani/Itu Road Project, which was awarded in tranches to Julius Berger, Sermatec, and CCECC in 2021.

**13. Need to Increase Funding and Annual Budgetary Allocation to Federal Polytechnics to Address Issues Besetting the Institutions:**

**Hon. Danladi Suleiman Aguye**

**Hon. Salman Idris:**

**The House:**

*Notes* that the Polytechnics were established through legislation by the 6th National Assembly of the Federal Republic of Nigeria under the Federal Polytechnic Act (as amended);

*Also notes* that Polytechnics are Technical Institutions offering Post-Secondary Technical Education programmes leading to the award of Diplomas Certificates such as the National Diploma (ND) and Higher National Diploma (HND);

*Further notes* that currently there are, a total of Thirty Seven (37) Federal Polytechnics in Nigeria,

*Aware* that Polytechnic Education was essentially introduced into the country to produce middle-level manpower and technical skills in engineering and technology, provide high skilled technical knowledge to give training and impart necessary skills for the production of technicians, technologists, and other skilled personnel;

*Concerned* that despite rapid expansion and changes that in the world of Technology, Polytechnic education is yet to be accorded due recognition in the country;

*Also concerned* that most of these Institutions are faced with multifaceted challenges such as lack of training facilities, inadequate qualified human resources, obsolete laboratories and workshops for practical activities, outdated curriculum that is devoid of 21<sup>st</sup> century skills requirements among others;

*Disturbed* that despite the number of Polytechnics in Nigeria, with years of history, technical jobs across several sectors, especially oil and gas as well as maritime sectors are not man by Nigerians as a result of skill gap from graduates of polytechnics;

*Worried* about inadequate funding of Federal Polytechnics in Nigeria, as some are being converted into Universities, while China took a drastic steps to convert about 600 Universities to Polytechnics;

*Informed* that funding of Polytechnic education will help bolster the country's for technological development and reduce heavy importation and dependency bringing growth and development that developed countries have attained in different Sectors of global economy due to technological advancement;

*Cognizant* that Polytechnics are the backbone of our technical education system and IT Order to meet the evolving demands of our economy, we must significantly increase our investment in the polytechnic education;

*Resolves to:*

- (i) urge the Federal Ministry of Education to increase the funding of Federal Polytechnics in Nigeria;
- (ii) mandate the Committees on Federal Polytechnics and Higher Technical Education, Finance, and Appropriations to increase the budgetary allocation of Federal Polytechnics in Nigeria in the 2025 budget estimates;
- (iv) also mandate the Committee on Legislative Compliance to compliance.

**14. Need to Address to Activities of Distribution Companies (DISCOS) in Nigeria:****Hon. Ibrahim Ayokunle Isiaka:****The House:**

*Notes* that the activities of Distribution Companies (DISCOS) in the country and their recent actions, which is posing a threat to economic stability and welfare of the Nigerian populace;

*also notes* that Nigerian consumers paid for electricity meters installation, but Discos is demanding additional payments for replacement of these metres under dubious pretenses, undermining consumer trust and exacerbating financial burdens;

*Worried* that Consumers are being coerced into paying for meters which they have earlier financed, causing financial strain on households and businesses already facing economic challenges.

*Also worried* about the sabotage of economic development by Discos, where essential services are used against citizens intended to serve thereby, stifling growth and development;

*Concerned* that despite constant regulatory oversight and demand for accountability by the Committee on Power from these companies, Discos remained recalcitrant in operating with impunity and disregard for consumer rights;

*Recognises* that the Discos' actions pose a significant threat to Nigeria's economic stability and welfare of citizens;

*Cognizant* of the need to stand against injustices and prioritizes constituents' needs and rights.

***Resolves to:***

- (i) urge the Federal Ministry of Power to declare Discos as non-state actors and take immediate measures to address their reckless actions, threatening the nation's economy.
- (ii) also urge Discos to undergo Recapitalization of not less than 500 billion Naira, and only those with the required financial muzzles that can provide maximum satisfaction to consumers are allowed the space to continue to operate;
- (iii) mandate the Committee on Power to:
  - (a) investigate the activities of the Distribution Companies (DISCOS) in Nigeria, with the intent to hold them accountable and safeguard consumer rights;
  - (b) examine the implementation of the stricter regulations governing the operations of Discos, to ensure transparency and fairness in dealings with Consumers;
  - (c) activate public awareness campaigns and initiatives to educate consumers about their rights and the proper channels for addressing grievances related to electricity services and report within four (4) weeks for further legislative action.

---

## CONSIDERATION OF REPORTS

- 15. A Bill for an Act to Amend the Agricultural Research Council of Nigeria Act, 2021 (as amended) to make Provisions for Establishment of Federal College of Agricultural Technology, Opialu–Ojapo, Benue State to contribute to the Development of Nigeria through Training of Qualitative Manpower in Agriculture by adequate exposure to Sound Theoretical Background, Practical Farm and field Demonstration and for Related Matters (SB.212) (*Senate*) – (*Leader*) (*Hon. Julius Ihonvbere*) – *Committee of the Whole: 30/11/2024.*
- 16. A Bill for an Act to Amend the Federal Universities of Agriculture Act, Cap. F22, Laws of the Federation of Nigeria, 2024 and Establish Federal University of Agricultural, Kabba, Kogi State and for Related Matters (HB. 1520) (*Leader*) (*Hon. Julius Ihonvbere*) – *Committee of the Whole: 30/11/2024.*
